# Zooming and Recording

Zoom in (T)  
Zoom out (W)

Press in green button,  
then turn the dial to  
Camera.

Push the record button  
to start & stop  
recording.

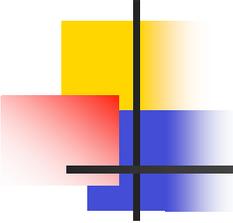

# Inserting/Removing Cassette

[1] Slide across the open / eject latch and pull door open

[2] Wait for tape holder to slide out. Insert cassette and only push back the holder. The rest is automated.

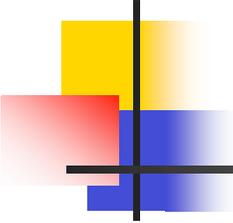

# Video Capture Tips

---

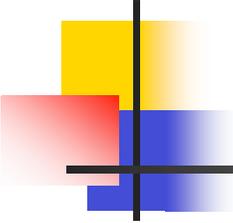

- Have a good idea in advance what you need to record
- Use a tripod or rest wherever possible to prevent jerky video
- Decide on a location with minimal visual and audible 'noise'
- Additional light may be required when shooting indoors
- Get permission where appropriate!

# Video Editing Tips

---

- Cropping: Aim to have the main subject in the centre of the frame
- Additions: Have any small-shot additions in the top-right hand corner
- Produce various 'cuts', for example:
  - **Cut 1** – Key frames simply merged together without any transitions
  - **Cut 2** – Add in necessary transitions and preview
  - **Cut 3** – Insert any additional text to the frames
  - **Cut 4** – Overlay any audio and try to synchronise with video

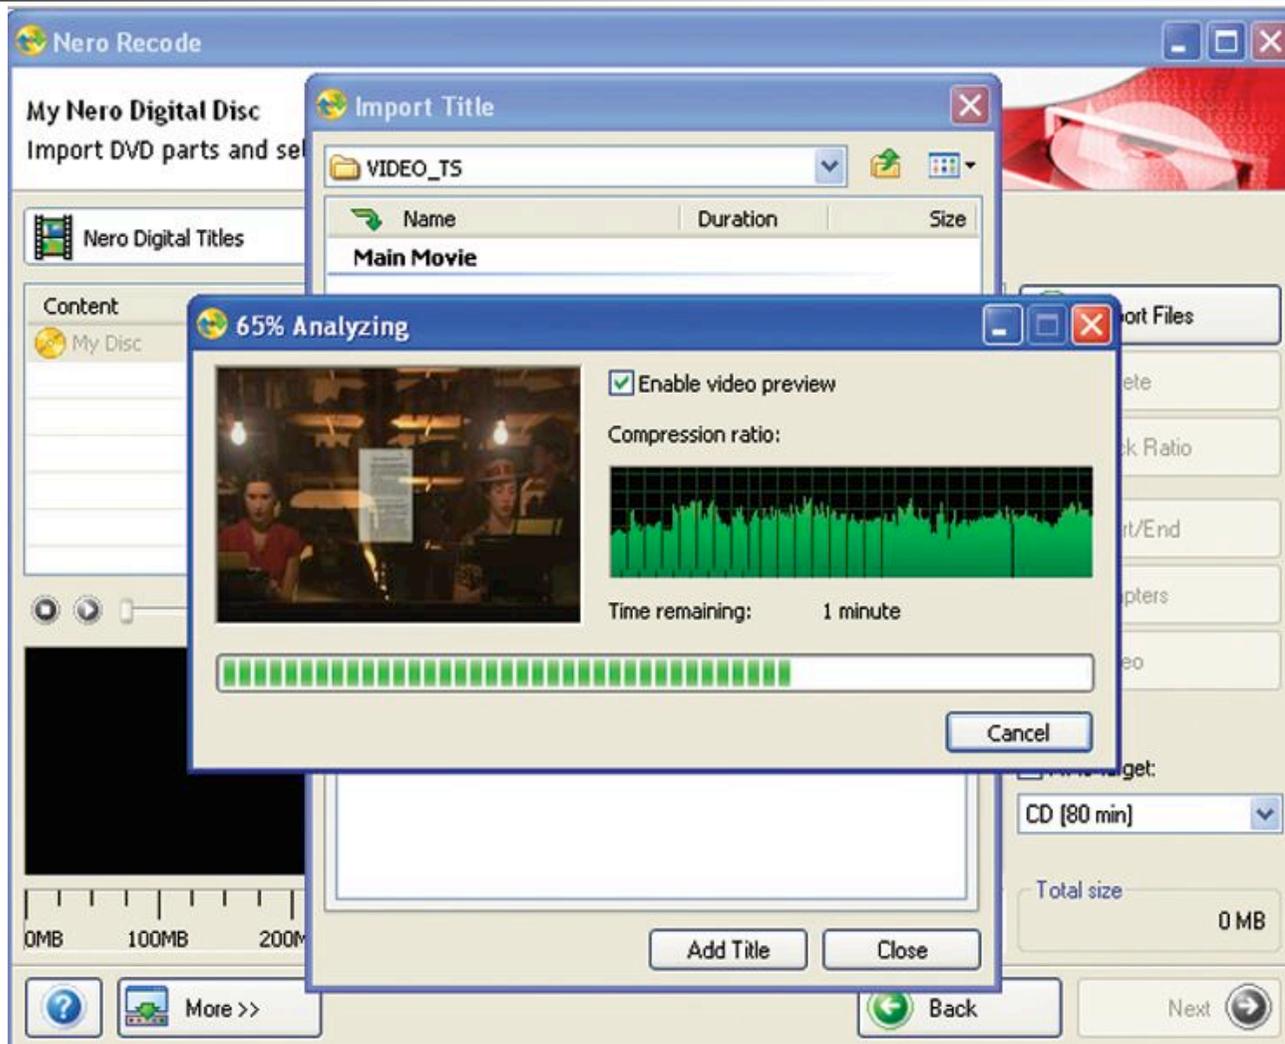

# Nero 7 Premium
